

# IT Documentation

On these pages you will find the IT documentation of the University of Fulda, as well as answers to the most frequently asked questions and problems regarding the configuration of our IT services. Please note that some of the information provided here relates to services that are only available to employees of the University of Fulda.

For the moment, most topics are available in Germany only. For those articles, you can use a browser that supports translation (i.e., Google Chrome, Chromium), a translation of all articles in this wiki can be achieved by using Google translate. Just click the translate button in your browsers URL bar.
